in 1956 bob stinky pearson began attending college from that time until the present he has always been connected to higher education in some way as a student teacher coach and administrator at various colleges and universities around the united states in this second volume of his memoirs pearson picks up his life s story at the start of his college career at michigan state he graduated from brockport state in 1960 and what followed was a fifty four year career in university level education and administration pearson shares nearly one hundred humorous and interesting moments and anecdotes from his collegiate and professional life recalling many of the best and brightest students and coworkers whom he encountered along the way offering self deprecating humor and inspiring insights this memoir provides reflections recollections and teachable moments from a career spent in america s colleges

help teens in the academic middle succeed by creating and valuing other ways to win research suggests that more than half of high school graduates are not academically prepared for college yet they do not have significant learning disabilities preventing them from succeeding in a traditional classroom setting this timeless bestseller now in its third edition has been updated with new data recommendations and observations to explore the

choices available to these students beyond traditional four year colleges illustrating options that are more accessible and carry a much higher probability of student success this resource dispels the one way to win myth presents other ways to win that do not require a four year college degree provides benefits for students with alternate forms of post high school education all teens deserve to succeed regardless of the post secondary educational path they take other ways to win can help make it happen

co published by routledge for the american educational research association aera educational policy continues to be of major concern policy debates about economic growth and national competitiveness for example commonly focus on the importance of human capital and a highly educated workforce defining the theoretical boundaries and methodological approaches of education policy research are the two primary themes of this comprehensive aera sponsored handbook organized into seven sections the handbook focuses on 1 disciplinary foundations of educational policy 2 methodological perspectives 3 the policy process 4 resources management and organization 5 teaching and learning policy 6 actors and institutions and 7 education access and differentiation drawing from multiple disciplines the handbook s over one hundred authors address three central questions what policy issues and questions have oriented current policy research what research strategies and methods have proven most fruitful and what issues questions and methods will drive future policy research topics such as early childhood education school choice access to higher education teacher accountability and testing and measurement cut across the 63 chapters in the volume the politics surrounding these and other issues are objectively analyzed by authors and commentators each of the seven sections concludes with two commentaries by leading scholars in the field the first considers the current state of policy design and the second addresses the current state of policy research this book is appropriate for scholars and graduate students working in the field of education policy and for the growing number of academic government and think tank researchers engaged in policy research for more information on the american educational research association please visit aera net

in letting go demie kurz offers a deeper understanding of the demanding work of parenting teens and sheds new light on what it takes to produce a successful child based on numerous interviews with a diverse group of mothers this book offers a nuanced candid portrait of the deeply emotional dynamics involved in raising adolescents and young adults and the ways social policy can play a key role in helping young people succeed

every child needs to learn the importance of learning to set and realize goals early in life in his book keep moving forward author cajetan ihewulezi encourages the use of discipline education prayer and hard work to motivate and guide latino american teenagers to educational success professionalism and leadership though parents and guardians have important roles to play in the future success of their children author cajetan ihewulezi believes that every young adult has a role to play in the realization of their own dreams he strives to provide the tools for latino american teenagers growing up in the american society he designs schedules and rules that can be models for consistency for both parents and their children to follow cajetan ngozika ihewulezi is a catholic priest he received his first master s degree at duquesne university in systematic theology and a second master s at st louis university in historical theology he is currently earning his doctorate in homiletics at the

aquinas institute of theology

as the english athens oxford has long been seen as central to england s intellectual life for over six centuries the city has been lauded slighted and cited in the pages of english literature while it has been hailed as the embodiment of excellence beauty and truth on the one hand it has also been attacked for its elitism insularity and traditionalism on the other oxford in english literature provides for the first time an overview of these literary representations ranging from chaucer s account of medieval students to modern day detective stories set in the city the book begins with the early university possibly founded by an eighth century princess named frideswide the volume moves on through the middle ages with chaucer s clerks and foxe s martyrs oxford in english literature touches on more recent centuries with lewis carroll and alice in wonderland matthew arnold max beerbohm and evelyn waugh and the infamous st oscar following the rise of the colleges the literature becomes characterized by a sense of insulation for the closed collegiate structure led to elitism and eccentricity the notion of the university as a paradise of youth beauty and intelligence led to the so called oxford myth and the backlash against it after world war ii the underlying argument of john dougill s work is that the defining symbol of oxford is not so much the dreaming spire as the college wall in oxford literature the college is depicted as a world of its own secluded conservative and eccentric driven by its own rituals idealized it becomes a cloistered utopia an athenian city state a fantasy wonderland or an arcadian idyll exclusivity led to resentment from those on the outside as is evident in thomas hardy s jude the obscure with the advent of democratic and egalitarian values in the twentieth century the privilege and elitism of the university has come under increasing attack as has the whole notion of the english athens oxford in english literature is aimed at the general reader interested in the literature and history of a very unusual town its familiar subject and the inclusion of numerous rare and specially commissioned illustrations and photographs make this a compelling book john dougill is associate professor of english literature ryukoku university kyoto japan he is an oxford graduate and author of the writers of english literature
